Yard Meters

With the onset of winter months, many of our customers take the opportunity to get their yard meters turned off. By doing so, they avoid the base charge of \$19.63 that gets applied to the account just for having the meter on. We will turn off yard meters as a complimentary service in order to save our customers money. If you would like your yard meter turned off, please call our office at 966-0272. Once spring rolls around, give us a call and we will happily turn your yard meter back on at no charge.

Online Bill Pay

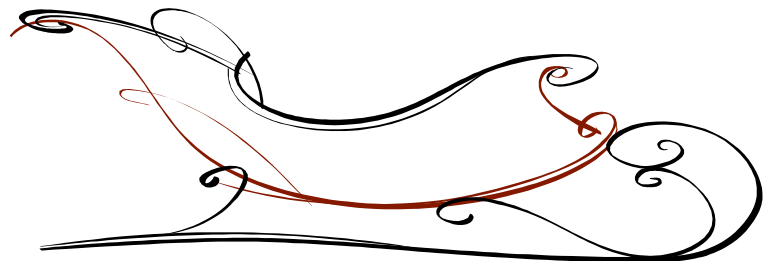

Have you chosen to pay your bill using your bank's online option? Are you planning on moving soon? Once your address changes, your Nob Hill Water account number does as well. Be sure to notify your bank of your new account number so your payment gets applied to the correct account. This will ensure that your payment gets posted in a timely, efficient manner.

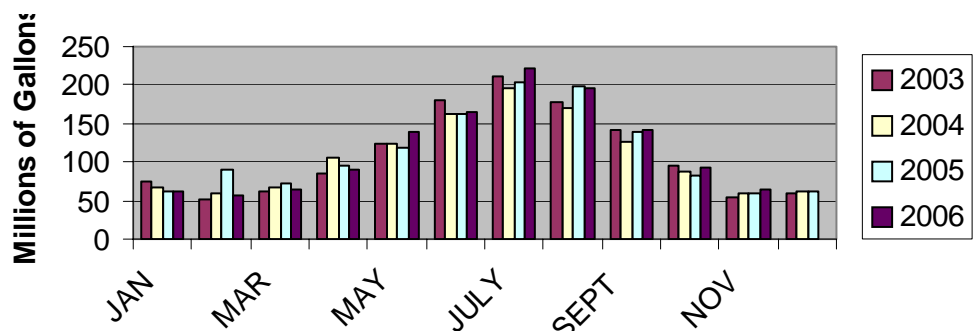

CALL BEFORE YOU DIG!!

If you are planning on doing any digging on your property, for your safety, please call **2 working days before you plan to begin**. There is no charge for this service.
